

# WUXI GUANGTAI GLASS LENS CO.LTD

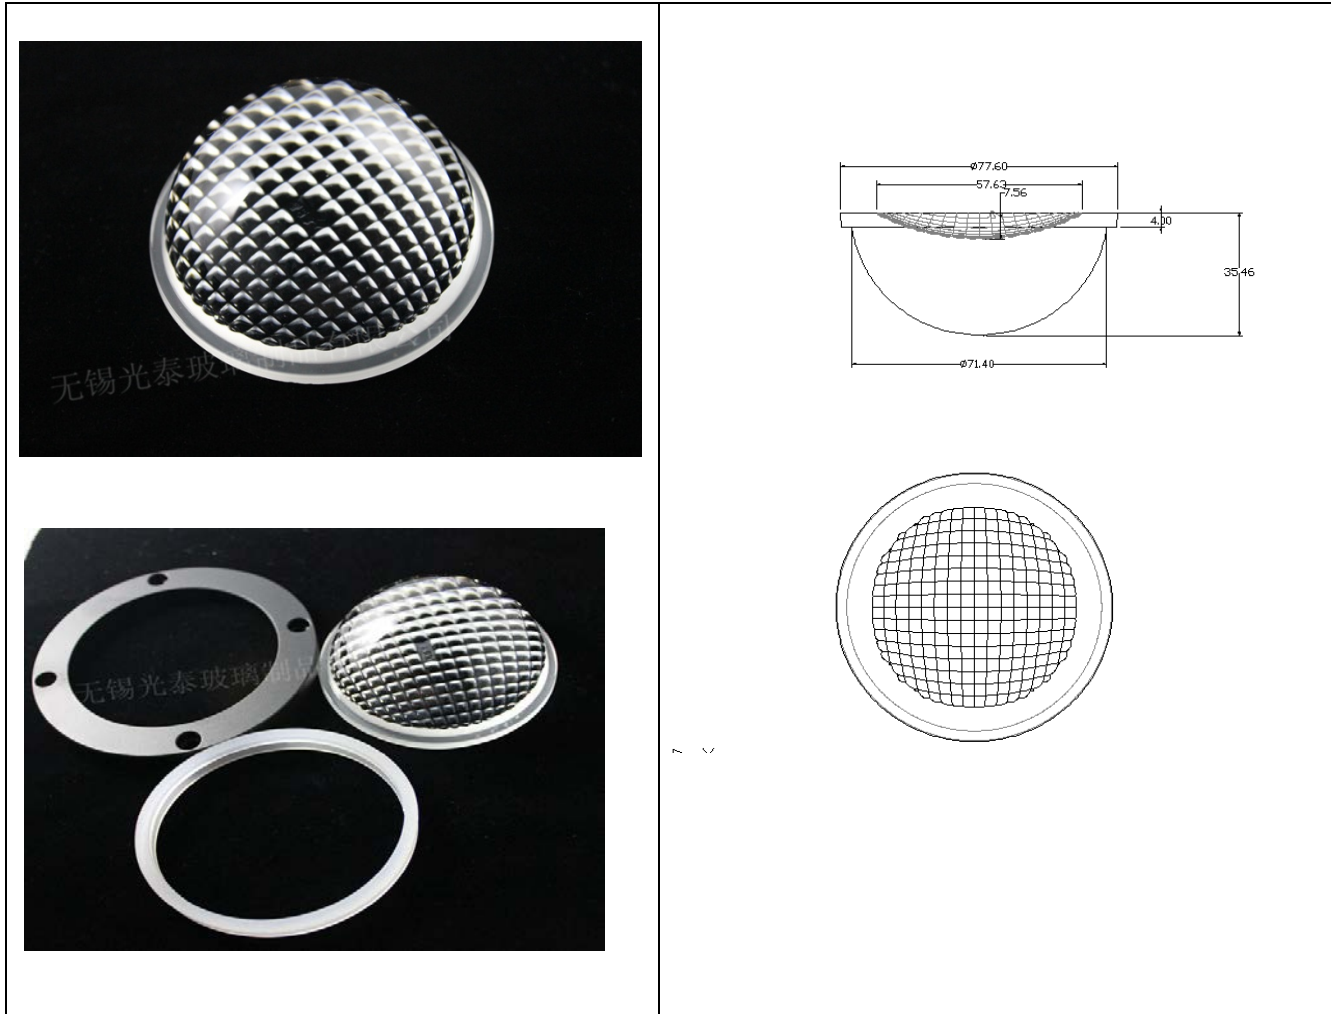

## PRODUCT SPECIFICATION

PART NO      产品型号 : GT-78-3

Checked 审核		Prepared 制作	
Customer Approve 客户核准			

## Production Introduction

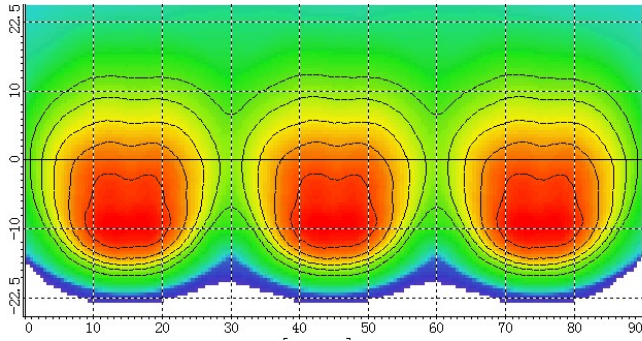

1. Model: GT-78-3NA with silicon gasket and metal holder

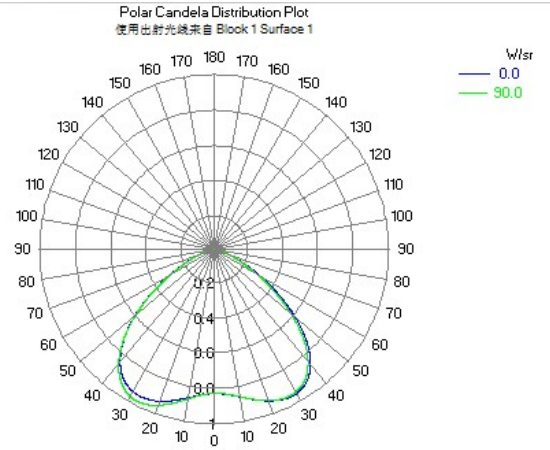

## 二. Features:

- (1) Material: Optical Glass (Borosilicate glass)
- (2) Angle : 90 degree
- (3) Heat resistant: -50-500 degree
- (4) Transmittance: above 94%
- (5) Refractive index: 1.474
- (6) Quality: clear and transparent, no bubble and impurity inside
- (7) **New technical: anti-glared lenses.**
